

A Better Partnership with Dale®

To Our Valued Customers:

At Dale, we're always focused on making things better. Always better performance. Always better value. Always better quality.

And now, we're introducing a new identity that we hope you agree is even better. We're still the same Dale that's been delivering top-quality products and unparalleled customer service for generations. But now, our logo and graphics reflect the forward-looking spirit that has always guided our business, from our early, groundbreaking products to recent innovations like IV-ARMOR® and the Dale ACE Connector®.

We're excited to be rolling out our new identity to customers in the coming weeks, and we wanted you to be among the first to see it. We hope you like it as much as we do!
